MOTION PICTURES

The Motion Picture Service, Office of Information, U. S. Department of Agriculture, produces and distributes motion pictures on subjects with which the Department is concerned. They are both sound and silent and are released in 16-mm. and 85-mm. widths. Films in the 16-mm. size are available from State film libraries; 85-mm. films are available only from Motion Picture Service. They are lent for educational purposes to groups and organizations or may be purchased outright. Prints of Department films may be obtained from 78 cooperating film libraries in the 48 States, the District of Columbia, and the Territories of Alaska, Hawaii, and Puerto Rico.

THE RAISINS YOU BUY. 16-mm., sound, in color, running time, 4½ minutes. Released 1957.

This is the story of how California raisins are cleaned, processed, and packaged so that consumers may have sound, wholesome fruit. The role of the U. S. Department of Agriculture's Inspection Service is featured as inspectors examine raisins (a) upon delivery to packing plants to determine maturity and wholesomeness, and (b) after processing to determine cleanliness, quality and condition. Pictures several ways raisins may be used to obtain their stored-up energy. TV use permitted. (Produced in cooperation with the California Raisin Advisory Board.) (Available for loan from all state college film libraries. Inquire of Motion Picture Service for purchase information.)
